31JAN22 - Status Update:
- Crowd diminished overnight but remained in good spirits.
- PPS / OPS reported no major issues overnight.
- Several trucks drove around barricade at Mackenize. Issue resolved.
- OPS having issues with staffing pressures and organizing relief. OPP providing uniform support.
- In the event the situation continues past Tuesday, additional POU resources are being arranged for.
GM CC: Can you ensure that issue of health care worker access and egress to hospitals and clinics is raised. DM MOH raised the issue this morning with SOC. Recommended to SOC that we would make OPS aware of issue for their consideration.
GM Deputy. I will ensure this issue is brought forward to OPS Command.
No change from the 0737hr update in the city of Ottawa; however, we are experiencing traffic congestion outside of the city, which is hopefully associated to people leaving the
